(C). Adoption of Ind-AS Standards:

The Company being a Listed Non-Banking Finance Company, is required to prepare its financial statements in accordance with the Ind AS standards with effect from April 1, 2019. Accordingly, your directors have framed the required policy for such adoption and transition to Ind AS standards. The current accounts have been prepared as per Ind As standards.

KUMBHAT FINANCIAL SERVICES LIMITED

(D). Impact of Covid-19 Pandemic:

In March 2020, the World Health Organization (WHO) declared Covid-19 to be a pandemic. It developed rapidly into a global crisis, forcing Governments to enforce lockdowns of all economic activities. Consequent to this, the Government of India declared a nation-wide lockdown on March 24, 2020 to prevent the spread of the virus.

This unavoidable step has caused a severe blow to the economy. For the Company the focus immediately shifted to ensuring the health and well-being of all employees, and on minimizing disruption in our operations and commitments to the customers.

Further, the uncertainty created by the disruption in business activities world-over is a cause for concern for every sector and the impacts cannot be estimated at this stage. Even developed countries like US and European countries, which have been severely impacted by Covid-19, are in the grip of recessionary trends. This will adversely affect the global business scenario, particularly import and export. Loss of jobs and spiraling unemployment are going to have cascading effect on every sphere of the economy.

The overall economic situation being uncertain due to Covid-19, it may impact the operations of the Company in the current year. The Company would closely monitor such developments in economic conditions and consider their impact on its performance in the coming months. The Company does not anticipate any challenges in its ability to continue as going concern or meeting its financial obligations.

2. EXTRACT OF ANNUAL RETURN (FORM MGT-9):

The extract of Annual Return pursuant to the provisions of sub-section (3) of section 92 read with sub-rule (1) of rule 12 of the Companies (Management and Administration) Rules, 2014 is furnished in Annexure-1 and is attached to this report.

3. NUMBER OF BOARD MEETINGS CONDUCTED DURING THE YEAR UNDER REVIEW:

The Board met **seven** times during the financial year, the details of which are given hereunder. The maximum interval between any two meetings did not exceed 120 days, as prescribed in the Companies Act, 2013.

<i>Quarter</i>	<i>Date of Board Meeting</i>

1 st January, 2020 to 31 st March, 2020	12.02.2020

4. COMPLIANCE WITH SECRETARIAL STANDARDS:

During the year under review, the Company has followed applicable Secretarial Standards, i.e. SS-1 and SS-2, relating to 'Meetings of the Board of Directors' and 'General Meetings' respectively issued by the Institute of Company Secretaries of India.

5. DIRECTORS RESPONSIBILITY STATEMENT:

In accordance with the provisions of section 134(5) of the Companies Act, 2013, the Board hereby submits its responsibility statement:

KUMBHAT FINANCIAL SERVICES LIMITED

- (a) In the preparation of the annual accounts for the year ended 31st March, 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) The Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;
- (c) The Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) The Directors had prepared the annual accounts on a going concern basis;
- (e) The Directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and
- (f) The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and such systems were adequate and operating effectively.

6. EXPLANATION OR COMMENTS ON QUALIFICATIONS, RESERVATIONS OR ADVERSE REMARKS OR DISCLOSURES MADE BY THE STATUTORY AUDITORS:

The observations made by the auditors in their report and notes to the accounts referred to in the Auditors Report are self-explanatory. There were no qualifications, reservations or adverse remarks made by the Auditors in their respective reports.

7. EXPLANATION OR COMMENTS ON QUALIFICATIONS, RESERVATIONS OR ADVERSE REMARKS OR DISCLOSURES MADE BY THE SECRETARIAL AUDITORS:

The Secretarial Auditors have made the following observations in their report for the year ended 31st March, 2020

1. *Except for general delays made in filing the e-Forms under the Companies Act, 2013, the Company has, prima facie, been regular in furnishing its required returns.*
2. *As informed by the management, the promoters of the Company are yet to dematerialize all their share holdings in the Company.*
3. *The shares of the Company are suspended from trading in the Bombay Stock Exchange Limited pursuant to the non-compliance with the provisions of the listing agreement. As informed by the management, the Company has submitted all the required statutory returns with the exchange and are awaiting the order for revocation of suspension.*
4. *With regard to compliances with other stock exchanges where the shares of the Company were earlier listed, viz., The Madras Stock Exchange Limited, The Hyderabad Stock Exchange Limited, The Coimbatore Stock Exchange Limited and The Ahmedabad Stock Exchange Limited, we have been informed that the said exchanges have been closed by the orders of Securities and Exchange Board of India (SEBI) and any communications with the said exchanges are returned undelivered.*

The company has initialised dematerialisation process and has lodged all physical shares to respective demat agents of the promoters for dematerialisation. The process is in progress.

The other observations made by the secretarial auditors are self explanatory in nature and does not call for further explanation. The Directors now assure its members that they are in the process of updating all its records and complying with various legal requirements so as to make good the above qualifications.

MANAGEMENT DISCUSSION AND ANALYSIS

Economic Overview:

The Global Epidemic COVID -19 has sent the global economy spiraling downwards and India is not an exception to it. Indian GDP growth has touched a low of 3.2% and the Indian Government has announced Rs.20.00 Lakhs Crores economic relief packages to resurrect the economy. Reserve Bank of India had reduced the REPO rate and has allowed the Non Banking Finance Companies to defer collection of interest on loans from 01.03.2020 by three months.

The entire business community is anxiously looking at Government measures to revive the economy and the infrastructure has been given a special attention. We do hope to recover our dues from the economically strained customers.

Opportunities:

The relief package announced by the Government is set to affect almost all sectors and the Government is keen to restore the position of Indian Economy as the fastest growing in the world. Moreover many overseas companies have expressed setting up their unit in India and the Government move towards the same is being watched with much interest.

India has emerged as one of the fastest growing economies in the globe and has generated a lot of interest among foreign investors both financial and strategic. Global players see India as the future economic powerhouse and they are making huge investments in different business within the country. Buoyant market conditions and sustained economic growth over the past few years coupled with a very positive outlook in the coming years give the business of our Company.

Threats:

New entrants could be a threat to the various business segments of the Group. However, competition only help the Group build a strong business model, employ the best human talent and capitalize on the long years of excellent client relationship and a proven track record.

Segment-wise or product-wise performance:

At present the Company is carrying on only one segment of financing business.

Risks and concerns:

Any change in the interest rate in the market will have impact on the profit of the company. The company has a defined credit policy duly approved and reviewed by the Management from time to time. The credit policy is strictly implemented and the debtors are regularly monitored. However any default or downgrade of credit worthiness of customers may affect profitability.

The Company strives to comply with all the statutory laws of the Country. But the same law may be misused by opposite party especially the defaulters. It may happen in financial business that some people may get loan from the financiers with no intention to repay.

Internal control systems and their adequacy:

The Company has instituted adequate internal control procedure commensurate with the nature of its business and size of its operations. It is based on well-defined individual roles and responsibilities with their limit of

KUMBHAT FINANCIAL SERVICES LIMITED

authority at various levels, as well as effective feedback flow. All the significant observations and follow-up actions thereon are reported to the Board of Directors.

Human Resource/Industrial Relation:

Your Company believes that its employees represent the backbone of its success. The Company, on one hand provides its people with an environment in which they develop, excel and innovate, while on other, it sets challenging targets and rewards superior performance.

The HR Policies of the company have been designed to achieve the following goals:

- Better quality and safety;
- Research and development capabilities; and
- Lesser attrition rate.

Industrial relations at all the works of the Company remained cordial and harmonious during the current period under review. Despite severe competition, the enthusiasm and unstinting efforts of the employees have enabled the company to remain at the forefront of the industry. There is no transaction conflicting with the interest of the company.

Cautionary statement

Estimates and expectations stated in this Management Discussion and Analysis may be “forward-looking statements” within the meaning of the applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to your Company’s operation include economic conditions affecting the interest rate, inflation, changes in the interest rate, changes in the Government regulations, tax laws, other statutes and incidental factors. The Company undertakes no responsibility to update or revise any forward-looking statement.

KUMBHAT FINANCIAL SERVICES LIMITED

INDEPENDENT AUDITORS' REPORT

To the Members of Kumbhat Financial Services Limited

Opinion

We have audited the standalone financial statements of **KUMBHAT FINANCIAL SERVICES LIMITED**, which comprise the balance sheet as at 31st March 2020, and the statement of profit and loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information .

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

KUMBHAT FINANCIAL SERVICES LIMITED

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

KUMBHAT FINANCIAL SERVICES LIMITED

KUMBHAT FINANCIAL SERVICES LIMITED

ANNEXURE B REFERRED TO IN PARAGRAPH 2 (g) OF THE SECTION ON “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **KUMBHAT FINANCIAL SERVICES LIMITED** as of March 31, 2020 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established under the COSO 2013 criteria, which considers the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records

KUMBHAT FINANCIAL SERVICES LIMITED

that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

KUMBHAT FINANCIAL SERVICES LIMITED

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

Company Overview

Kumbhat Financial Services Limited (“the Company”) is a Public company incorporated in India in 1993 and is having registered at No. 29, Rattan Bazaar, Chennai - 600 003, Tamil Nadu. The Company is registered as a Non-Banking Financial Company (Non-Deposit taking) with Reserve Bank of India and is primarily engaged in the business of financing of commercial loans. The equity shares of the Company are listed on Bombay Stock Exchange.

Basis of preparation and presentation

➤ Compliance with Ind AS

The Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act. In addition, the directions of Reserve Bank of India, the Guidance Notes and announcements issued by the Institute of Chartered Accountants of India are also applied, except where the compliance with other statutory provisions requires different treatment.

For all periods up to and including the year ended 31 March 2019, the Company had prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 and the NBFC Master Directions (hereinafter referred as ‘Previous GAAP’). These financial statements for the year ended 31 March 2020 are the first the Company has prepared in accordance with Ind AS. The Company has applied Ind AS 101 ‘First-time Adoption of Indian Accounting Standards’, for transition from previous GAAP to Ind AS.

An explanation on how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 1.14

➤ Historical Cost Convention

The Financial Statements have been prepared under the historical cost convention except for certain financial instruments that are measured at fair values at the end of each reporting period.

The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

All the amounts included in Standalone Financial Statements are reported in Indian Rupees except where otherwise indicated.

The Company presents its Balance Sheet in the order of liquidity.

➤ Critical accounting estimates and judgements

The preparation of the Company’s financial statements requires Management to make use of estimates and judgements. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management’s estimates are based. Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

- Business model assessment
- Fair value of financial instruments

KUMBHAT FINANCIAL SERVICES LIMITED

- Effective Interest Rate (EIR)
- Impairment on financial assets
- Provisions and other contingent liabilities
- Provision for tax expenses
- Residual value and useful life of property, plant and equipment

1. Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1. Revenue Recognition

(i) Interest income

The Company recognises interest income on an accrual basis, using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). The EIR is the rate that exactly discounts estimated future cash receipts (including all fees, transaction costs and other premiums or discounts paid or received) through the expected life of the financial instrument to the carrying amount on initial recognition. Accordingly EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets regarded as 'stage 3', the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.

Delayed payment interest (penal interest), if any, levied on customers for delay in repayments/non-payment of contractual cash flows as per the agreed terms and conditions of the loan, is recognised on realisation.

(ii) Dividend income

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of dividend be measured reliably.

(iii) Other revenue from operations

The Company has adopted Ind AS-115 "Revenue from Contract with Customers" effective from 01st April, 2019. The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

KUMBHAT FINANCIAL SERVICES LIMITED

(iv) Recoveries of financial assets written off

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

1.2. Cash and cash equivalents

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank Cash Credits repayable on demand, as they are considered an integral part of the Company's cash management.

Cash flow statements are reported using indirect method and the cash flows from operating, investing and financing activities of the Company are segregated.

1.3. Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset for one entity and a financial liability or equity instrument for another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

Financial Assets and Liabilities - Initial Recognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments.

All financial assets and Liabilities are initially recognised at fair value.

Transaction costs directly attributable to the acquisition or issue of financial assets and financial liabilities that are measured at amortised cost are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss are recognised immediately in profit or loss.

For tradable securities, the Company recognises the financial instruments under Settlement date Accounting.

Classification and Subsequent measurement

Financial Assets:

The Company classifies its financial assets as subsequently measured at either amortized cost or fair value depending on the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

A financial asset is measured at Amortised Cost only if both of the following conditions are met:

- The asset is held with a Business model whose objective is to hold them to collect contractual cash flows and
- The contractual terms of the financial assets give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the amount outstanding

KUMBHAT FINANCIAL SERVICES LIMITED

Such Financial assets are subsequently measured at amortised cost using the Effective Interest rate method.

Financial assets are subsequently measured at Fair Value Through Other Comprehensive Income (FVTOCI) if :

- The financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on principal and the interest (SPPI) on the principal outstanding.

Any financial instrument, which does not meet the criteria for categorisation as amortized cost or as Fair Value Through Other Comprehensive Income (FVTOCI), is classified as at Fair Value Through P&L (FVTPL).

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt and equity instruments are recognised on net basis through profit or loss.

Financial Liabilities:

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method except for financial liabilities at FVTPL. A financial liability is classified as FVTPL if it is held-for-trading or it is a derivative or it is designated as FVTPL on initial recognition. Interest expense, foreign exchange gains (losses) and any gains and losses on de-recognition are recognised in the profit or loss.

Derecognition of Financial Assets and Financial Liabilities

Financial Assets:

The Company derecognises a financial asset (or, where applicable, a part of a financial asset) when and only when :

- The right to receive cash flows from the asset have expire, (or)
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognised, the Company does not have any continuing involvement in the same.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains all or substantially all the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

On de-recognition of a financial asset, the difference between the carrying amount of the asset and the consideration received is recognised in profit or loss.

KUMBHAT FINANCIAL SERVICES LIMITED

Financial liabilities:

The Company de-recognises a financial liability when its contractual obligations are discharged, cancelled or expired.

Impairment of financial assets

The Company assess on the forward looking basis the expected credit losses associated with its financial assets held under amortised cost and at FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Based on the methodology the Company is formulating the risk evaluation based impairment framework.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12 month ECL is recognised.

Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognised for stage 2 and stage 3 financial assets.

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet when, and only when,

- there is an enforceable legal right to offset the recognised amounts and
- an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

During the financial year no offsetting of financial instruments has been made in the financial statements.

1.4. Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fair value measurements are categorised into Level 1,2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows :

- Level 1 inputs are quoted prices unadjusted in active markets for identical assets or liabilities that the entity can access at the measurement date
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly and
- Level 3 inputs are unobservable inputs for the asset or liability.

1.5. Taxes

Income Tax expense represents the aggregate amount included in the determination of Profit or Loss for the period in respect of Current Tax and Deferred Tax.

KUMBHAT FINANCIAL SERVICES LIMITED

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid/ payable to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the reporting date.

Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets relate to the same taxable entity and same taxation authority.

Current and deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(iii) Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the companies will pay normal income tax during the specified period.

KUMBHAT FINANCIAL SERVICES LIMITED

1.6. Property, Plant and Equipment (PPE)

Cost model is adopted for Property, Plant and Equipment. The cost of an item of property, plant and equipment is recognised as an asset if, and only if,

- (a) it is probable that future economic benefits associated with the item will flow to the entity and
- (b) the cost of the item can be measured reliably.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any non-refundable import duties and other taxes, any directly attributable expenditure on making the asset ready for its intended use by the Management, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to Statement of Profit and Loss in the period in which the costs are incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

On transition to Ind AS, the Company has continued with the carrying value of all its PPE recognized as at 01st April, 2018, measured as per previous GAAP and use that carrying value as its deemed cost of the PPE as at that date.

1.7. Intangible Assets

An intangible asset is recognised if, and only if (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and (b) the cost of the asset can be measured reliably as per the assessment of the management.

Intangible assets with finite useful lives that are acquired separately are initially recognized at Cost which comprises of the purchase price, including import duties and non-refundable purchase taxes and any directly attributable costs of preparing the asset for its intended use, and subsequently carried at cost less accumulated amortization and accumulated impairment losses.

In respect of Computer software, it is the policy of the Company to capitalize the Cost of the software and recognised as intangible assets based on materiality, accounting prudence and significant benefits expected to flow there from for a period longer than one year.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in profit or loss when the asset is derecognised.

As at the date of the Financial Statements the Company doesn't have any Intangible Assets in use.

KUMBHAT FINANCIAL SERVICES LIMITED

1.8. Depreciation on Property, Plant and Equipment

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives, using the straight-line method. The useful life of an asset is the period over which an asset is expected to be available for use by an entity.

Amortisation is recognised on a straight- line basis over the estimated useful lives.

Depreciation and amortization on property, plant and equipment and intangible assets added/disposed off during the year has been provided on pro-rata basis with reference to the date of addition/disposal.

Depreciation and amortization methods, useful lives and residual values are reviewed periodically as appropriate in the views of the management and also at the end of each reporting period and adjusted if required.

There are no assets under Financial Lease during the Financial year.

Estimated useful lives of the assets are considered as prescribed in Schedule II to the Companies Act, 2013 and in respect of an item of PPE having individual value up to Rs. 5,000/- is depreciated fully in the financial year of purchase of asset.

1.9. Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss based on the internal and external factors. Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount where the recoverable amount is the higher of the net selling price of the assets and their value in use.

There are no Intangible Assets with indefinite useful lives.

1.10. Provisions and contingent liabilities

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent Liabilities

A disclosure for contingent liabilities is made where there is:

- a. possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity (or)

KUMBHAT FINANCIAL SERVICES LIMITED

- b. a present obligation that arises from past events but is not recognized because 1). it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or 2). the amount of the obligation cannot be measured with sufficient reliability.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period

1.11. Foreign currency translation

The Company's financial statements are presented in Indian Rupee, which is also the Company's functional currency.

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are re-translated using the exchange rate prevailing at the reporting date. Non- monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences

All exchange differences are accounted in the Statement of Profit and Loss.

During the year, there are no foreign currency transactions.

1.12. Employee benefits

Short term Employee benefits

Short term employee benefits for services rendered by employees are recognised during the period when the services are rendered.

Post Employment benefits

As the number of persons employed by the Company on roll fall below the limits (at any point of time during the year) prescribed Employee Provident Fund Act, 1952 and Employee State Insurance Act, 1948 the Company is not covered under the said Acts and hence no obligation arises on the part of the Company to contribute for the post employments benefit funds as per the respective acts.

Likewise the Company is not covered by Payment of Gratuity Act, 1972 as it doesn't have number employees beyond the threshold limit. Hence the Company is not required to carry out actuarial valuation for the Gratuity liabilities and make provisions accordingly. However the Company, for the sake of the employee benefits, is making provisions for Gratuity at the rate prescribed under the Payment of Gratuity Act, 1972 and the estimations are made on the basis of number of years served by the employee consecutively for a period more than 5 years.

1.13. Earning Per Share:

Basic earnings per share is calculated by dividing profit/(loss) for the year attributable to ordinary equity holders of the Company (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period.

KUMBHAT FINANCIAL SERVICES LIMITED

Diluted earnings per share is computed by dividing the profit/ (loss) for the year attributable to equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

1.14. Disclosure as per Ind AS 101 First-time adoption of Indian Accounting Standards:

Overall principle:

The Company has prepared the opening balance sheet as per Ind AS as of 1st April, 2018 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognized assets and liabilities. However, this principle is subject to certain mandatory exceptions and certain optional exemptions availed by the Company as detailed below:

i. Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind ASs shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Accordingly the Company adopted consistent estimates as adopted in previous GAAP except in case of any error found in the estimates under previous GAAP.

ii. Deemed Cost

Ind AS 101 permits an entity to elect to measure an item of property, plant and equipment at the date of transition to Ind ASs at its fair value and use that fair value as its deemed cost at that date. The Company elected the option for the Property, Plant and Equipment.

iii. Classification and measurement of Financial Assets

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortised cost on facts and circumstances existing at the date of transition if retrospective application is impracticable. The Company has classified the financial assets on the basis of facts and circumstances that exist at the date of transition to Ind AS.

iv. De recognition of financial assets and financial liabilities

The Company has opted to apply the de recognition requirements as per Ind AS 109 prospectively for transactions on or after 1 April 2018

Transition to IND AS Reconciliations

The following reconciliations provide the explanation and qualification of the differences arising from the transition from Previous GAAP to Ind AS in accordance with Ind AS 101 "First Time Adoption of Indian Accounting Standards".

Deferred Tax Asset and Deferred Tax Liability have been offset as they relate to the same governing taxation laws.

As a matter of prudence, the Company restricted the creation of additional DTA and kept the DTA at Rs.43000, in its books. Hence, DTA of Rs. 43000 have been considered on 31 March,2020 considering the availability of future taxable profit against which the deductible temporary differences and unused losses can be utilised.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance sheet date and the carrying amount of MAT is written down to the extent there is no longer a convincing evidence to the effect that the companies will pay normal income tax during the specified period.
